A Better and Brighter Bulb Comes to Market

A grant submitted by the City of Warren in collaboration with the Macomb County Department of Planning & Economic Development will help to retrofit outdoor lighting with energy efficient LED lighting. ([read more](#))

Reference & Research Center Opens

The former site of the Macomb County Library is now the Wayne State University Macomb Education Center. If knowledge is power then the Reference & Research Center housed within it is an incredible resource for businesses, organizations and individuals. Open and free to the public, it offers access to 75 databases, 2,000 volume reference collection, wireless Internet connection and 12 public Internet terminals. ([read more](#))

Economic Development in Action

Leading Aerospace Supplier Lands in Macomb County

The department is honored to welcome **Advanced Integrated Tooling Solutions** to our growing community of aerospace firms. ([read more](#))

Q & A:

Ken DeCock; Local Agri-Entrepreneur

Now that spring has finally arrived, many turn their energies outdoors to make their homes and businesses attractive. Learn how spending your gardening budget with a local grower helps an important part of our economy: agriculture ([read more](#))

Progress Through Partnerships Seniors Count

By 2030, more than one out of every four persons in the county will be over the age of 65. This evolution in demographics will have profound impact on the physical, social and economic landscape of our communities ([read more](#))

Regional Aerials Under Way

Look up, waaaaay up. Is that plane taking picture of me? In an effort to maintain an accurate depiction of the county and its assets and land, the department is teaming up with SEMCOG ([read more](#))
